Congratulations on passing the COBIT® Foundation Exam v4.1!

You can access your certificate on the Transcripts tab.

Please note: You can print the certificate for your files if you want a hard copy, and also access it via the eLearning Campus 24/7. The certificate is issued by ISACA, and is an official certificate representing a proficiency and knowledge of COBIT through the completion of the course and/or the corresponding exam. There will be NO certificate mailed or emailed directly to you.
